"Saving Animals Together Since 1983"

2026 EVENT SPONSORSHIP PACK

Why sponsor our events?

Hopefield Animal Sanctuary and Visitor Centre have been rescuing animals since 1983 and our mission is to provide a safe and loving home for abused, abandoned and neglected animals. Our hope is that we inspire others to become advocates themselves for better animal welfare so we can continue our work.....*Saving Animals Together*

Being open to the public is essential to support our fundraising to allow us to carry out our vital work. We are open Friday - Monday from April to December, and in addition we hold several large events with different themes to ensure we support our visitors.

By choosing to sponsor one of these events, it helps us immensely by providing necessary financial resources for event execution so we can divert more of our donations to animal welfare.

What's in it for you?

- Brand Awareness: Enhances brand visibility and reputation by partnering with a nonprofit.
- Community Engagement: Strengthens community ties and fosters goodwill.
- Networking Opportunities: Offers chances to connect with other businesses and potential new customers. An average event normally attracts between 600 and 1300 visitors per day (weather dependant!)
- Positive Company Image: Improves public perception and demonstrates corporate social responsibility and impact
- Choice of sponsorship packages availability to accommodate your needs (see below)
(NB. Please note that as an animal sanctuary charity, your products and/or services must not contradict with our ethos)
